Your Name *

Jim Mason

What Office are you running for *

City Council District 1

On average, how often do you ride a bike? *

@ 20 miles a year

On average, how often do you walk for recreation or transportation? *

2 miles 3x a week

On average, how often do you take public transportation? *

never; except once a year to test the timeliness

How is bicycling, walking, or public transportation important to you? *

critical---I would love to be able to use Public Transportation instead of driving

Roadway Safety

What actions would you take to support improving infrastructure designed to protect or otherwise make vulnerable road users (bike riders & pedestrians) safer? *

I will support every reasonable and feasible course of action

How would you support a citywide program or strategy (such as Vision Zero) to improve roadway safety with the goal of eliminating traffic fatalities and severe injuries? *

Through advocacy and education

Transportation

Will you support increased funding for infrastructure for walking, biking, and transit? *

Yes. Enhanced multimodal Public transportation is one of my 3 priorities.

How will you support policies that increase opportunities for Colorado Springs residents to bike, walk, take transit? *

Through advocacy and vote.

City Plans

What are your highest priorities related to the BikeCOS! master plan? *

Ensure bike infrastructure is complimentary with all other modes of transportation within ConnectCOS

How will you support ConnectCOS and the adoption of the Intermodal Mobility Plan? *

Through advocacy and education

How do you intend to support and implement the Strong Connections vision in PlanCOS? *

Through advocacy and study to ensure plans are feasible and in line with stated objectives.

PlanCOS Speaks to land use in the Unique Places chapter; what role do you see land use playing in creating inviting places throughout our city? *

Imperative. How land is agreed to be used and developed sets the stage for accessibility and quality of life enhancements
