

Bike Colorado Springs Candidate Survey

Your Name *

Mike Seeger

What Office are you running for? *

City Council District 1

On average, how often do you ride a bike? *

weekly

On average, how often do you walk for recreation or transportation? *

occasionally

On average, how often do you take public transportation? *

not often

How is bicycling, walking, or public transportation important to you? *

I am an advocate for managing our carbon foot print. I am also, a very active individual and advocate for staying healthy and active.

Roadway Safety

What actions would you take to support improving infrastructure designed to protect or otherwise make vulnerable road users (bike riders & pedestrians) safer? *

I would like to promote the public's understanding of safer measures to take around pedestrians and cyclists. I would like to advocate for creative solutions to infrastructure that further increase the safety of pedestrians and cyclists.

How would you support a citywide program or strategy (such as Vision Zero) to improve roadway safety with the goal of eliminating traffic fatalities and severe injuries? *

I would advocate for education and enforcement that provides for the safest practices for our pedestrians.

Transportation

Will you support increased funding for infrastructure for walking, biking, and transit? *

Yes, infrastructure is at the top of my list of items to address as a council member. Walkways and cycling lanes are part of my priority.

How will you support policies that increase opportunities for Colorado Springs residents to bike, walk, take transit? *

I will encourage education and incentives to promote activity in our community. Our health is very important to me and I believe that the general public may not be completely aware of the advantages of physical activity.

City Plans

What are your highest priorities related to the BikeCOS! master plan? *

Providing safe areas for cyclists to enjoy recreation and transportation across the city.

How will you support ConnectCOS and the adoption of the Intermodal Mobility Plan? *

I am an advocate for streamlining these practices and would like to promote this plan.

How do you intend to support and implement the Strong Connections vision in PlanCOS? *

I plan to stay involved in active. Allowing the community voices to be heard and implemented.

PlanCOS Speaks to land use in the Unique Places chapter; what role do you see land use playing in creating inviting places throughout our city? *

I believe that we must preserve as much natural land as possible, while creating great paths and parks for our community to enjoy and stay active in.

Other Comments

Is there anything else you would like Bike Colorado Springs to know about your positions or candidacy?

I am a candidate that seeks to understand the wants and needs of our community. I want to be the voice of the community and make implementations that the community wants.
